

EnStron Particleboard Residential Underlayment

15-Year Limited Warranty

Product Warranty: This limited warranty applies to the original retail purchaser ("Purchaser") of Plummer Forest Products brand EnStron residential particleboard underlayment (the "Product") and to any owner of a building on which the Product is originally installed ("Owner"). Plummer Forest Products warrants that its Product bearing the CPA Certification will at the time of delivery, meet or exceed the manufacturing standards under ANSI 1-1999 Industrial Grade (M2) particleboard. Plummer Forest Products warrants that, for a period of fifteen (15) years from the date of installation, the panels:

- Will not delaminate or contribute to discoloration of the floor covering material.
- Will hold the floor covering material permanently to the floor. Panels must be installed in accordance with the manufacturer's instructions and prescribed fastening patterns and adhesives spread rates for this warranty to apply.
- When installed as directed, will not telegraph joints through the finished floor due to product failure or defects.

Warranty shall only be effective if panels are stored, handled and installed in accordance with the attached Plummer Forest Products installation instructions.

Warranty applies to residential installations only.

Length of Coverage: This transferable warranty is valid for 15 years from the date of installation.

If any panels should fail to meet the above limited warranty, Plummer Forest Products will, at its discretion:

- Supply replacement panels for those found to not satisfy the warranty; or
- Refund the full purchase price of the defective panels if the floor covering has not yet been installed; or
- Pay an amount equal to the purchase price of the defective panels, adhesives, and floor covering, and reasonable installation cost of the floor covering.

Claims regarding panels that fail to meet the limited warranty will only be honored subject to the following conditions:

- Will hold the floor covering material permanently to the floor. Panels must be installed in accordance with the manufacturer's instructions and prescribed fastening patterns and adhesives spread rates for this warranty to apply.
- The claim should include proof of purchase, sales receipt, invoice, dealer's name and address, along with the address and date installed.
- Plummer Forest Products will have thirty (30) days after receipt of such notice to inspect the reported damage claim prior to any alteration, change or repair for a period of at least 30 days after its receipt of the notice of claim.
