

GHS Material Safety Data Sheet

Section 1. Chemical Product/Company Identification

Product Identification: Whisper Walk X-3100F

Chemical Name: Polyether based urethane polymer

CAS#: 9009-54-5

Company Identification:

TruBlack USA

Section 2. Hazards Identification

Eyes: Product may cause mechanical irritation.

Skin: Product may cause mechanical irritation.

Inhalation: Under normal use this product is not hazardous via inhalation

Ingestion: This product has a low order of toxicity. If symptoms of gastrointestinal irritation develop, seek medical attention.

Section 3. Composition/Information On Hazardous Ingredients

Component Name: N/A, Urethane Foam

CAS Number: 9009-54-5

% by Weight:

This material is not for intended for use in medical or drug applications.

Section 4. First Aid Measures

Eyes: Immediately flush with water for 15 minutes. Obtain attention if irritation occurs.

Skin: Flush with water to remove particles. Wash with soap and water. No first aid should be needed.

Inhalation: No first aid should be needed.

Oral: No first aid should be needed. If gastrointestinal discomfort occurs, obtain medical attention.

Comments: Treat symptomatically.

Section 5. Fire Fighting Measures

Flash Point: >N/A

Auto Ignition Temperature: > 350°C

Flammability Limits in Air: Not Determined

Extinguishing Media: Use dry chemical, foam or water fog. On small fires use carbon dioxide, dry chemical or water spray.

Fire Fighting Procedures: Self-contained breathing apparatus and protective clothing should be worn fighting fires involving urethane foam compounds.

Hazardous Decomposition Products: Carbon oxides and traces of incompletely burned carbon compounds.

Section 6. Accidental Release Measure

Containment/Clean Up: No containment required. Use standard rules for storing this product.

This product does not cause known environmental hazards in an accidental release.

Section 7. Handling and Storage

Handling (Personnel): Safety equipment not required under normal circumstances.

Storage: Product is non-hazardous. Store according to NFPA regulations

Section 8. Exposure Controls and Personal Protection

Engineering Controls

Local Exhaust: None should be needed.

General Ventilation: None should be needed.

Personal Protective Equipment for Routine Handling

Eyes: No special requirements.

Skin: No special requirements.

Suitable Gloves: No special protection is needed.

Inhalation: No respiratory protection should be needed.

Suitable Respirator: None should be needed.

Personal Protective Equipment for Spills

Eyes: Eye protection not required for normal situations.

Skin: Washing at mealtime and end of shift is adequate.

Inhalation/Suitable Respirator: No respiratory protection should be needed.

Precautionary Measures: Avoid eye contact.

Section 9. Physical and Chemical Properties

<u>Physical Form:</u>	Solid	<u>Viscosity:</u>	N/A
<u>Color:</u>	Varies	<u>Melting Point:</u>	N/A
<u>Odor:</u>	Odor Free	<u>Boiling Point:</u>	N/A
<u>Specific Gravity at 25C:</u>	0.02-0.20	<u>Vapor Pressure at 25C:</u>	N/A
<u>Solubility in Water:</u>	Insoluble	<u>pH:</u>	N/A

Section 10. Stability and Reactivity

<u>Chemical Stability:</u>	Stable
<u>Hazardous Polymerization:</u>	Hazardous polymerization will not occur
<u>Condition to Avoid:</u>	None
<u>Material to Avoid:</u>	None

Section 11. Toxicological Information

No known applicable information. Composition suggests no effect.

Section 12. Ecological Information

No known applicable information. Composition suggests no effect.

Section 13. Disposal Considerations

Landfill and/or incinerate where permitted in compliance with all applicable government regulations.

Section 14. Transportation Information

DOT Road Shipment Information (49 CFR 172.101)

Not subject to DOT regulations.

Ocean Shipment (IMDG)

Not subject to IMDG code.

Air Shipment (IATA)

Not subject to IATA regulations.

Section 15. Regulatory Information

Contents of this MSDS comply with the OSHA Hazard Communication Standard 29 CFR 1910.1200.

TSCA Status: All chemical substances in this material are included on or exempted from listing on the TSCA Inventory of Chemical Substances.

EPA SARA Title III Chemical Listings:

Section 302 Extremely Hazardous Substances: None

Section 304 CERCLA Hazardous Substances: None

Section 312 Hazard Class:

Acute: **No**

Chronic: **No**

Fire: **No**

Pressure: **No**

Reactive: **No**

Section 313 Toxic Chemicals: None present in regulated quantities

Section 16. Other Information

NFPA Profile: Health: 0 Flammability: 1 Reactivity: 0

The information and recommendations presented herein are presented in good faith and are believed to be correct as of the date hereof. TruBlack USA makes no representations as to the completeness or accuracy thereof. Information is supplied upon the condition that the persons receiving the information will make their own determinations as to its suitability for their purposes prior to use. In no event will TruBlack USA be responsible for damages of any nature whatsoever, resulting from the use of or reliance upon this information. **No representations or warranties, expressed or implied, of merchantability, fitness for a particular purpose or of any other nature are made hereunder with respect to information or the product to which the information refers.**

This form meets the requirements of OSHA 29 CFR 1910.1200.
