

SafeGuard

Temporary Flooring Protector

SafeGuard is made in British Columbia, Canada

- ✓ 36" x 100'
- ✓ Made in Canada
- ✓ Water resistant
- ✓ Light weight
- ✓ Breathable
- ✓ 100% recycled
- ✓ FSC certified

Protect your surfaces using SafeGuard temporary flooring protector.

Prevent scuffs and scrapes during renovations and construction projects by laying SafeGuard and taping it down to prevent any shifting. It is easy to work with breathable technology.
